## This week's Program: County Supervisor Mike Maggard

PP Larry Moxley introduced our County Supervisor Mike Maggard after talking about and moving the platform used by the "Shetland People." Mike assisted BERC with the Joshua Park about 10 years ago so that we could make a nice space where a tragedy had been. Supervisor Maggard talked about the election on Tuesday, which will be history by the time this is published. He talked about the 1.5 Billion managed in the County and about 700 Million in the General Fund.
