This is Gary Stanfill's house. You will notice that the gates are shut. This is because you came too late. The meeting was at 7:00 a.m.

With Only 4 Meetings To Go: The Gin Fizz Meeting At Stanfills'.....

Dean Carpenter and Jan Hensley greeted us as we converged on the lovely home of Gary and Evelyn Stanfill for BERC's annual Gin Fizz Breakfast. After a Bakersfield Breakfast consisting of steak, bacon, sausage, pancakes, biscuits and gravy, eggs, potatoes and fruit, President Bob Parker called the meeting to order. Robert Vining gave a thoughtful invocation asking for guidance in our everyday lives. Honorary member Stan Lewis led our flag salute and George Palmer led us singing "God Bless America."

Still Fizzin', Still Doing Business

Dick Giles introduced visiting Rotarians Carl Leech, Paul Cooper and the father of BERC, Dick Griffin. Lovely wives joining us were Judy Lewis, Gail Burch, Paula Maxwell, Virginia Lozano and Evelyn Stanfill, who received a thank you gift for opening her home to us. Susan Leedy's husband, Bud, was also a welcomed guest as he kept the gin fizzes coming! Wally Eckdahl, former member of BERC, and his wife Sharon were also in attendance. (Since the

Eckdahls live next door, Gary thought it was a good opportunity to show Wally what he is missing.) Once again, Western Kitchen received a round of applause for our breakfast.

Notes, Quotes. Recognitions.....

Ron Biglin would not give details, but told us that Pasta Feast exceeded our goal! We'll get all the details next week. He mentioned that the bands were rewarded with half the proceeds from their ticket sales and presented Larry Moxley with a check for \$1,617.00 for Stockdale Christian School. These funds will go toward their trip to Carnegie Hall next summer. Kelley Brown announced that Supper Club is taking the summer off, but encouraged us to meet informally for dinner. Steve Pressley, who just returned from LaPaz, Mexico, insisted that he was not there with Jan Blake, and was only there to catch fish. Terry and Paula Maxwell were recognized for the glowing review of T.L. Maxwell's in the Bakersfield Californian by restaurant reviewer, Pete Tittl. Maxwell's received 12 stars (the maximum!) but since there was no mention of Rotary, Terry was fined \$120.00.

The Program Is Us...And Some Parting Shots.....

President Bob thanked Larry Moxley for conducting our meeting two weeks ago and is sure that Larry's disparaging remarks were really misquotes. Larry told the Prez that we are all exceptionally anxious for demotion – only three more meetings to go. Kelley Brown informed us that next week's program is Sharon Powell from Employers Training Resource, and President Bob closed the meeting with..."Success consists of a list of little daily victories."

This is the Veteran's Hall. If you forgot to go the Gary Stanfill's house, you were probably looking at an empty hall & missed out on some good gin fizz, steak & eggs.
